## Employment History

### Kisii Law Courts — *Judicial Attachment (Clinical Attachment Programme)*

**July 2025 – August 2025**

- Observed and participated in courtroom proceedings under the supervision of judicial officers.
- Assisted in drafting rulings, case summaries, and court orders.
- Conducted legal research on civil and criminal cases to aid in judicial decision-making.
- Reviewed pleadings, affidavits, and exhibits filed in court to ensure procedural compliance.
- Gained practical experience in court operations, case management, and judicial ethics.

## **Stanbic Bank Kenya — *Legal Assistant (In-Person)***

**April 2025 – June 2025**

- Assisted in drafting, reviewing, and organizing legal documents such as contracts, agreements, and compliance reports.
- Conducted legal and regulatory research to support the bank's operations and decision-making processes.
- Supported the Legal Department in managing litigation files, debt recovery matters, and external counsel correspondence.
- Helped ensure adherence to internal policies and statutory compliance requirements.
- Provided general administrative and clerical support to the legal team.

## **Wynes and Associates - Research Assistant(Remote)**

**November 2024 – April 2025**

As a Research Assistant at Wynes and Associates since November 2024, I played a pivotal role in conducting research and providing detailed and critical insights into complex legal and policy issues. I was involved in two projects: Public Policy and Economics and Alternative Dispute Resolution.
